

Welcome to OGS2022

Valérie, Marc et Jean

ART GeoDEV NC co-animators

Part of OGS task force

NC GeoDEV RAN

Main missions:

**STRUCTURING, FEDERATING & SUPPORTING
the New Caledonian GIS&RS community**

Facilitating links with France & the Pacific region community

Why OGS?

OSS-NC annual seminar of the RAN **GeoDEV-NC**,
precursor of the **OGS** with **a focus on the regional community.**

RAN co- animators

Why a Symposium ?

increasing needs with limited resources

Using more EO data to improve people's life and environment,
by **pooling needs and resources, strengthening regional collaboration** in the geospatial field.

Capacity Building

Mutual economic
development

Education

A regional geospatial community event with NO FEE for participants

Hybrid format

Bilingual EN / FR

Complementary sub-events, leaving no one behind and remaining totally
inclusive and accessible for everyone
